

ARFEE 2018 preface

The 2018 International Symposium on Architecture Research Frontiers and Ecological Environment (ARFEE 2018) has been successfully held in Wuhan, China during December 14-16, 2018. The symposium provides a useful and wide platform both for displaying the latest research and for exchanging of research results and ideas in the topics of architecture research frontiers and ecological environment. The participants of the conference were from home and abroad with background of either academia or industry.

The success and prosperity of the conference is reflected by high level of the papers received. The proceeding is a compilation of the accepted papers which represents an interesting outcome of the conference. It covers 3 sections: Analysis of Architecture Materials Performance and Landscape Design; Research on Civil Engineering and Geological Phenomena; Study on Energy Sources and Ecological Environment Engineering. All accepted papers of ARFEE 2018 will be published by E3S Web of Conferences (eISSN: 2267-1242), and all papers will be indexed by EI Compendex, Scopus, Inspec, CPCI, DOAJ and Google Scholar.

We would like to acknowledge all of those who supported ARFEE 2018. Each individual and institutional help was very important for the success of this conference. Especially we would like to thank the organizing committee for their valuable advices in the organization and helpful peer review of the papers.

We sincerely hope that ARFEE 2018 will be a forum for excellent discussions that will put forward new ideas and promote collaborative researches. We believe that the proceeding will serve as an important research source of references and the knowledge, which will lead to progress in the field of architecture and ecological environment.

The Committee of ARFEE 2018

Organizing Committees

Conference Chairs

Prof. C. Y. Meng, Nanyang Technological University, Singapore
Prof. X.W. Lei, Wuhan University of Science and Technology, China

Local Committee Chairs

Prof. F.Y. Zeng, Xiamen University, China
Prof. X. Yu, Wuhan University of Science and Technology, China
Prof. P.J. Zhou, Wuhan University, China

Conference Co-Chair

Prof. Y.Q. He, Tongji University, China/ Institute of glass and ceramics (Director)

Local Committees

Prof. J.S. Qiu, Dalian University of Technology, China
Prof. Y.F. Mu, Tianjin University, China
Prof. D.F. Liu, Ocean University of China, China
Prof. Y.L. Chen, Hefei University of Technology, China
Dr. H.G. Wang, Liaoning shihua University, China

Technical Committees

Prof. Z.F. Dong, Chinese Academy for Environmental Planning, China
Prof. Y.J. Lee, Chung-Hua Institution for Economic Research, Taiwan
Dr. Q. Fu, Sun Yat-sen University, China
Prof. Y. Fu, University of Jinan, China
Dr. P. Sharma, Chungnam National University, Republic of Korea
Prof. R.B. Fu, Tongji University, China
Prof. C. Bowen, Mechanical Engineering, UK
Dr. N. Wu, China University of Mining & Technology, China
A. Prof. Md. Didarul Islam, The Petroleum Institute, United Arab Emirates
Assistant Prof. C.C. Ku, National Taiwan Ocean University, Taiwan
Prof. H.W. Wang, Hebei University, China
Prof. C.F. Yang, National University of Kaohsiung, Taiwan
Prof. X.B. Zeng, Huazhong University of Science and Technology, China
Dr. T.Z. Wei, Institute of electrical engineering, Chinese Academy of Sciences, China
Prof. J.H. Chen, Chinese Research Academy of Environmental Sciences, China
Prof. B. Chen, Xi'an Shiyou University, China
Prof. J.P. Cao, China University of Mining & Technology, China
Prof. C. Chen, Jilin University, China
Dr. B.X. Chen, Heriot Watt University, UK
