International Scientific Conference on Energy, Environmental and Construction Engineering

(EECE – 2019)

19 November 2019 - Congress center of Peter the Great St. Petersburg Polytechnic University (29 A-F Build, Polytechnicheskaya str., St.Petersburg, Russia)

20 November 2019 - Conference hall of the Ambassador Hotel (5-7 Rimsky-Korsakov str., Saint-Petersburg, Russia)

Organizers:

Peter the Great St. Petersburg Polytechnic University
Kazan State University of Architecture and Engineering
University of Chili
University of Genoa

Proceedings editors: Nikolai Vatin (Peter the Great St. Petersburg Polytechnic University), Pietro Zunino (University of Genoa), Evgeny Vdovin (Kazan State University of Architecture and Engineering)

SCIENTIFIC COMMITTEE

Zunino Pietro, professor, director of department, University of Genoa, Italy
Vitaly Sergeev, Dr.sc., Professor, corresponding member of Russian Academy of Sciences, Peter the Great St. Petersburg Polytechnic University (SPbPU), Russia
Pravin Pralhad, Deshpande, professor, College of Engineering, India
Mikhail Butusov, professor, The University of Natural Resources and Life Sciences, Vienna, Austria
Christoph Pfeifer, professor, The University of Natural Resources and Life Sciences, Vienna, Austria
Alessandro Bianchini, professor, The University of Florence, Italy
Antonio Andreini, professor, The University of Florence, Italy
Ankomah Candido Bathlon, PhD, ass. professor, SPbPU, Russia
Škoda Radek, professor, The Czech Technical University in Prague, Prague
Petr Toman, professor, chief of department, Brno University of Technology, Prague
Iskander Beisembetov, D.Sc., professor, director of Institute Kazakh National Technical University named after K.I.Satpayev, Kazakhstan
Anatolij Borodinets, Prof. Dr.sc., Department of Heat and Gas Technology, Institute of Heat, Gas and Water Technology, Riga Technical University, Latvia
Luís Bragança, PhD, Director of the Building Physics & Technology Laboratory, Guimaraes, University of Minho, Portugal
Aires Camões, PhD, Vice-Director Building Physics & Technology Laboratory, Civil Engineering Department Guimaraes, University of Minho, Portugal
Meri Cvetkovska, PhD, ass. professor, Vice-Rector for International Cooperation, Cyril and Methodius University in Skopje, Macedonia

Tomas Hanak, PhD, ass. professor, Faculty of Civil Engineering, Brno University of Technology, Czech Republic

Marsel Garifullin, PhD, Tampere University of Technology, Finland

Arturas Kaklauskas, D.Sc., professor, Vilnus Gideminas Technical University, Lithuania

Milena Kichekova, Assoc.Prof. PhD., head of Department of Construction Engineering, Varna Free University «Chernorizets Hrabar», Bulgaria

Roman Orlovich, D.Sc., professor, West Pomeranian University of Technology, Szczecin, Poland

Miroslav Premrov, D.Sc., professor, Dean of the Faculty of Civil Engineering, Maribor University of Maribor, Slovenia

Leonids Pakrastins, Dr.sc., Director of the Institute of Structural Engineering and Reconstruction, Riga Technical University, Latvia

R.S. Ajin, MSc Applied Geology, Hazard Analyst, Kerala State Disaster Management Authority, India

Bagdad Tultaev, Dr.sc., President of Kazakhstan Highway Research Institute, Almaty.

Evgeny Vdovin, Ph.D., Associate Professor, Vice Rector for Research, Head of the Department “Roads, Bridges and Tunnels”, Kazan State University of Architecture and Engineering, Russia

Ilizar Mirsayapov, Doctor of Engineering, Professor, Head of the Department "Foundations, Foundation, Dynamics and Engineering Geology", Kazan State University of Architecture and Engineering, Russia

Rinat Safiullin, Doctor of Engineering, Associate Professor Department of Heat, Gas Supply and Ventilation, Kazan State University of Architecture and Engineering, Russia

Rustem Sakhapov, Doctor of Engineering, Professor, Head of the Department of Road Construction Machines, Kazan State University of Architecture and Engineering, Russia
