

# **International Conference on Efficient Production and Processing (ICEPP-2020)**

## **Preface**

We are delighted to present the Proceedings of the International Conference on Efficient Production and Processing (ICEPP-2020), which took place in Prague, Czech Republic. This conference was organized by Business Communication Center s.r.o. in February 2020 and gathered participants from countries such as: Russia, Italy, Germany, Cyprus, Czech Republic.

The conference topic covers the development of modern technologies, systems and solutions used in the production of healthy food and efficient waste treatment. One of the purpose of the conference is reaching an agreement on future cooperation between universities and participants.

We would like to express our thanks to the members of the scientific committee and all our participants.

Smyatskaya Julia

Prague, February 27-28, 2020
