

## **Preface of ICoGB 2024**

On behalf of the organizing committee, it is my great honor to welcome you to the 2024 2nd International Conference on Green Building, which was held during May 22-24, 2024 in Milan, Italy. The conference is organized by Politecnico di Milano and co-organized by Xi'an Jiaotong University and University of Minho, with the technical sponsor from Italian Society of Architectural Technology.

In its second edition, this significant gathering attracted dozens of attendees from ten countries, encompassing Italy, Spain, China, Brazil, Portugal, Hungary, Lithuania, Columbia, Turkey, and Australia. The success of ICoGB 2024 was due to the collective efforts of conference committee, which offers a unique platform for scholars, researchers, professionals, industry experts and young researchers to exchange ideas, present research findings, and discuss the latest advancements in the field of Green Building. Through thought-provoking keynote speeches, enlightening parallel sessions, this conference provides a dynamic and inclusive environment for stimulating intellectual discourse and fostering innovation.

I would like to express my deepest appreciation to the Technical Program Committee members for their hard work in reviewing and selecting papers. After rigorous review by related experienced experts and revision process, 36 excellent papers were accepted and included in the proceedings.

Finally, I would like to thank the organizing committee for their unwavering commitment to excellence ensures that every participant of ICoGB 2024 has experienced a truly exceptional conference. I look forward to see you in further significant gathering!

**Paulo Mendonça**
