

# **Preface: Proceedings of 2024 International Conference on Ecological Protection and Environmental Chemistry (EPEC 2024)**

It is our great pleasure to present the proceedings of the 2024 International Conference on Ecological Protection and Environmental Chemistry (EPEC 2024), held on June 21-23. This esteemed conference gathered leading researchers, scientists, and practitioners from around the globe to discuss the latest advancements and innovations in the fields of ecological protection and environmental chemistry.

EPEC 2024 serves as a crucial platform for exchanging cutting-edge research, fostering interdisciplinary collaborations, and addressing some of the most pressing environmental challenges of our time. The conference topics span a broad spectrum, including sustainable development, pollution control, environmental monitoring, green chemistry, and the impact of human activities on ecosystems. Each contribution in this volume reflects the dedication, expertise, and innovative spirit of the participants, who are committed to advancing our understanding and management of environmental issues.

The discussions and findings presented at EPEC 2024 highlight the importance of integrating scientific research with practical solutions to promote ecological sustainability and environmental health. The diverse range of perspectives and solutions shared during the conference underscores the global nature of environmental challenges and the need for collaborative efforts to address them effectively.

We extend our heartfelt gratitude to all the authors, reviewers, and organizers who made this conference a success. Their hard work and commitment have ensured the high quality and relevance of the research presented. We also thank our keynote speakers and participants for their valuable contributions and insights.

We hope that the proceedings of EPEC 2024 will serve as a valuable resource for researchers, policymakers, and practitioners working towards a sustainable and environmentally sound future.

Sincerely,

The Organizing Committee of EPEC 2024
